

A SHIP LIKE MINE

(excerpt from a song by the Williams Brothers - The Williams Brothers is an American traditional black gospel music group from Jackson, Mississippi, they were formed in 1960 by Leon "Pop" Williams, who was the Williams' father, and early on the Williams' brother Frank Douglas was a member)

**Go tell all my friends
that my ship just came sailin' in
It was filled with the holy spirit
It was filled with joy divine
Wouldn't you like to sail on a ship like mine?**
